

TIM HEESH
CHIEF
EXECUTIVE
OFFICER

Tim is a seasoned professional working with insolvency matters since 1990. Tim is a Registered Liquidator and Fellow of Chartered Accountants ANZ. His focus is on delivering workout strategies for struggling business.

Tim has experience in many industries with diverse and difficult financial situations. Tim will always explore ways to help a business owner avoid financial ruin. He is the champion of SME's and how to navigate safe passage through the insolvency storms. He is a very safe pair of hands in a financial crisis working with business owners and providing mature risk mitigating advice.

PROFESSIONAL BODIES

- Fellow of Chartered Accountants Australia and New Zealand
- Member of the Australian Restructuring and Turnaround Association
- Registered Liquidator - Australia (since 1995)

SPECIALIST SKILLS

- Corporate recovery & insolvency
- Turnaround management and restructuring
- Key stakeholder engagement
- Strategy and Risk management
- Board Advisory Participation

PROFESSIONAL EXPERIENCE

A sample of matters that Tim has managed are below:

- Preserved a publicly listed medical research company trading in two countries through a Voluntary Administration(VA)/DOCA and then was invited onto the board for its relisting.
- Turned round a national hospitality retail business through trade-on VA/DOCA reducing tax claim from \$10.0m to \$600,000.
- Sold, through receivership, a commercial property valued over \$40.0m through a complex ownership structure for private lenders. Recovered \$12.0m more than original estimate.
- Rescued long standing family company in Railway and Mining supply chain by avoiding close-down and liquidation and turning it into a niche specialist in same sectors with different products. Advisory board role accepted and still going 5 years later.
- Ongoing Risk and general commercial advisor to significant construction industry contractor (Turnover \$160.m) for last 5 years. Assisted with asset protection and structuring strategies and supply chain credit management.
- Performed intermediary role to secure appropriate M&A advisory firm for taking large business to market. Coordinated the ongoing interface between company and advisors.
- Negotiated a variety of debt restructuring programs for many business in various industries.
- Assisted/Advised many directors/business owners through liquidations and bankruptcy conducted by other insolvency practices.
- Accepted numerous directorship roles in protected financial management situations, such as deceased estates and loss of capacity situations.
